RECOGNITION FOR A BOOK WELL DONE

Publishing a book may be applause-worthy, but iUniverse authors can experience an even greater response. Our recognition programs not only come with bragging rights, but also benefits that can help improve the marketability of your book.

A prerequisite to the Rising Star, the Editor’s Choice program is the first step to our higher-level programs and designations. iUniverse chooses only those titles that have the essential qualities of a professionally published book to be part of the Editor’s Choice designation.

iUniverse watches up-and-coming authors with proven editorial quality and a strong marketing platform for inclusion in the Rising Star program. Benefits include presentation of your book to major retailers, such as Barnes & Noble, for possible placement within bookstores.
